Dear Mr. Ardleigh:

I am most grateful to you for having given me the opportunity to address the distinguished members of the Union League Club on the very vital subject of intelligence and for your kind remarks about my presentation. I would like to take this opportunity to thank the Club for presenting me with the bust of Abraham Lincoln. I am absolutely delighted with it. I had no idea Mr. Cherne was such an accomplished sculptor.

I would be very happy to address the Greenwich Chamber of Commerce Annual Dinner and if May 18 is available, I could do it that evening. I will await further confirmation from you.

Again, many thanks for your kindness. With every good wish,

Faithfully,

/s/ Vernon A. Walters

Dear General Walters:

You were simply superb at the Union League Club yesterday. My phone has been ringing since yesterday afternoon with favorable comments. You did us a rare service and I can assure you that you equipped a lot of executives with ammunition they need today when they discuss the CIA.

You may recall you said it might be possible for you to make an appearance at the Greenwich Chamber of Commerce Annual Dinner. I think you'd find you'd again have a very receptive audience although perhaps a little larger.

You asked that I mention some dates so that you can check your calendar. Here are a few: May 18, 19, 20, 25 or 26.

It's an evening affair at the Greenwich Country Club and you might like to stay at the Club that evening. We would get you back to either La Guardia or J.F.K. Airport directly from Greenwich the next morning.

I hope you can make it, and I'd appreciate hearing from you.

Again, sincerest thanks for yesterday.

Cordially,

Joseph D. Ardleigh

Okay, this time I got it from the horse's mouth-- our family leader, my mother.

She said that you were a smash- an unbelievable speech, well received by all.

Even after discounting her comments because she was deeply moved by the kind things you said about me, I am convinced she was 'telling it like it was and always has been'.

Great!!!!!!!!!!!! and thanks,

Dear General Walters:

I wish I had your facility with words and it just might be possible for me to express the appreciation of the Chamber of Commerce, as well as my own appreciation, for your presentation last night. It will be talked about for some time.

I'd also like to pass on my compliments to you for having such a personable and charming aide, , who accompanied you.

Again, as I mentioned in leaving you, if I can ever be of any service, just call on me.
